Term 1 Week 10 2019

Principal's Report

Thank you to our wonderful community who worked so hard to ensure the Fete was a success. Laurette, our Fete convenor did a great job and I don't think the visitors even worried that there were no rides this year due to the high winds! It was a cold day at the start but everyone enjoyed themselves. There were many lovely comments about the fete and our beautiful grounds. It was a huge effort and we appreciate everything our parents do. Thank you to all of the parents who helped or ran a stall on Saturday, there were many great things to eat and buy. The FETE is the reason that we are a FEE FREE school. The P&C work to ensure that they raise enough funds to keep us Fee Free which is of great benefit to all parents. The students here are lucky as the P&C ensure that we don't have fees and that the school provides all the pencils, pens (if needed) and exercise books for your child.

Our school numbers are now 149 and with a new enrolment coming next term we will hit 150! We are looking forward to second term now that the Fete is behind us as it is our reporting term.

Term 2: Don't forget school begins next term on Monday the 29th April. The last day of this term (Friday 12th April) is a Pupil Free Day!

There is an overflowing lost property box in the foyer. Check this if your child is missing a jumper or hat. Remember to label everything!!

ENJOY THE EASTER HOLIDAYS!

School Fete Day 2019

THE GIFT OF MUSIC

On Friday 22nd March, a special assembly was held where our school was presented with several musical instruments and an iPad along with boxes of Lego. These wonderful donations were made through 'Gift of Music' which is a Rural Aid Initiative. 'Gift of Music' collects and distributes new and pre-loved musical instruments to rural and remote school music programs in need and our school was extremely grateful to accept this generous donation. We look forward to being able to give more students the opportunity to learn a musical instrument. Thank you to Wayne and Robyn from 'Gift of Music' and Matt from Young Regional School of Music for attending our special assembly and presenting us with these gifts.

More vegetable snacks will be available tomorrow in the canteen instead of the usual 'treat of the week'.

SCHOOL FETE

What a wonderful day we had at our School Fete last Saturday! The weather was not overly kind but everyone enjoyed themselves regardless. A massive 'Thank You' must go to our organisers for the wonderful job they do to ensure the fete is as successful as it is each year. This is a massive job and we appreciate all the hard work that goes on behind the scenes to make it happen. Thank you also to the parents and staff that work on the day to ensure the smooth running of the event, it is wonderful to see everyone working together for the benefit of our children and the school. Lastly but most importantly, 'thank you' to the visitors and community members who attended on the day or contributed to the fete in any way, without your support we could not continue to be a 'fee free' school and give the students as much as we do!

CANTEEN NEWS

This Friday 5th April, canteen will be having a special for lunchtime only. Sausage in a bread roll with tomato or bbq sauce (please specify) will be \$2 each. Normal menu is still available.

SPORT NEWS- RUGBY LEAGUE TRIALS

Thirteen boys from Years 5/6 trialled today for selection in the CDPSSA team for Rugby League. Miss Evans reported that they all played really well and behaved amazingly!! We are eagerly awaiting the organisers to contact the school to find out if any of the boys progress to the next level.

Thank you to the parents for supporting their children and allowing them the opportunity to trial.

We will keep you updated when more information arrives on any selections.

We love learning in Kindergarten
