Empowering our students to reach their full potential

Term 2 Week 8 2019

Principal's Report

We had beautiful winter weather this week for our Athletics Carnivals. The students participated enthusiastically in a variety of activities organised to cater for students of all sporting abilities. As has been the case for the past few years, Michelle Kelly has run the food van for all to enjoy. Michelle worked tirelessly on Wednesday with a small band of student helpers to make sure all students, staff and spectators were catered for. Michelle is an extremely supportive parent she goes out of her way to do things for the school; often at her own expense and time. We are appreciative of everything she does.

Education Week will be celebrated early next term. Plans are underway to engage our school community in a variety of activities to celebrate the quality teaching and learning programs that occur on a daily basis in our great school. This year we will have the Book Fair, Grandparents Morning Tea, special assembly, family lunch and a treat for the students. Further details will be released in the next newsletter.

From time to time, students are occasionally late for school or need to leave early for important appointments. However, students who are consistently late for school are missing out on vital teaching and learning during Literacy sessions each day. Over an extended period of time, this can impact heavily upon a child's progress. Parents are reminded that morning assembly is at 9.10 am each day and all students are expected to be at school by this time.

The NSW Department of Education has a 'Behaviour Code for Students' that will address disruptive behaviours in the classroom, helping all students to participate in learning activities more effectively. With consistent expectations across all schools, students will know expectations about standards of behaviour. This Behaviour Code for Students is on many of classroom windows. *Toni*

ATHLETICS CARNIVAL

It was a cold foggy start to the morning but eventually the sun peeked through! It didn't seem to worry the students as they participated in their events and tried their hardest all day. Thank you to the many parents that helped us out, the teachers who got up early to get the carnival organised, to Geoff for making the grounds ready and the students who really showed what good sports they are!!

SPORTS REPORT

On Wednesday we held our athletics carnival here at school. What started out as a cold, wet miserable morning soon warmed up when we started running and the sun came out. We started with our house chants and some very excited Kinder students, ready for their first running races. Some excellent running in the 800m, 200m, 100m and 70m events has resulted in a very close race for house champions. The results of our field events carnival today will be the deciding factor as to who wins overall. Our students travelled to Nixon Park to participate in high jump, long jump, shot put and discus, with some very athletic children competing in all events. Awards and trophies will be handed out at a special assembly on Friday at 12.30 pm.

Next week our boys and girls touch football teams will head to Bob Aldridge Park to play Temora Public in round 2 of the PSSA knockout.
